

GU10

SORAA LED

5 Holt Drive,
Stony Point, NY 10980
845-947-3034
info@tslight.com

A classic design and favorite, this budget friendly fixture can complement any décor. Features a line voltage Soraa LED lamp with a GU10 base. These LED lamps work with most leading or trailing edge dimmers. Made of an extruded aluminum construction, it is dependable for residential and commercial applications. Numerous mounting options and accessories are available.

By utilizing Soraa's Snap System, there are unlimited possibilities for customizing this fixture. Options include the ability to field change the beam angle (Beam Spreader Snap), alter color temperature (CTO Snap), or to add a louver. Color Snaps can be used to produce brilliant hues of any color that Rosco or Lee offer.

The Enhance Lens Snap can increase the vividness of warm colors (including red, orange and pink and greens). Aim Snaps can bend the beam to a maximum deflection angle of 20°. Linear Snap Lenses can alter the beam to act as a wall wash.

Manufactured in the USA - IBEW

LED

- Color temp options: 2700K and 3000K
- CRI: 90 or 95
- No UV or IR

Dimming*

- Trailing edge (ELV)
