

Job Name: Fixture Type: Qty:

Ellipsoidals by Electronic Theatre Controls, Inc.

405 Source Four® 5°

The Source Four® ellipsoidal is constructed of die cast aluminum with a steel yoke and a positive locking single-clutch fixture body. Features 20 gauge stainless steel shutters and high-impact thermally insulated knobs and handles. Two accessory slots and a top mounted gel frame retainer gives this fixture the flexibility to accept glass or steel patterns and a variety of color filters and accessories. Optional iris and dual pattern rotator available. Comes in standard black powder coated finish. White and custom colors are available by request and at an additional charge.

Features:

- Accepts HPL lamps up to 750-watts
- Two accessory slots and a top mounted gel frame retainer
- Interchangeable lens tubes provide numerous field angle options
- Rotating shutter assembly
- Optional iris and dual pattern rotator available
- 36" leads in fiberglass sleeve
