

Astoria

18.5W SHORT NECK PAR 30

5 Holt Drive,
Stony Point, NY 10980
845-947-3034
info@tslight.com

The Astoria is perfect for accent lighting where independent dimming of fixtures is key. Featuring a classic cylinder design and an integral potentiometer for on-board dimming. Paired with a Soraa Short Neck lamp, this fixture is capable of dimming below 1%.

By utilizing Soraa's Snap System, there are unlimited possibilities for customizing this fixture. Options include the ability to field change the beam angle (Beam Spreader Snap), alter color temperature (CTO Snap), or to add a louver.

The Enhance Lens Snap can increase the vividness of warm colors (including red, orange and pink and greens). Aim Snaps can bend the beam to a maximum deflection angle of 20°. Linear Snap Lenses can alter the beam to act as a wall wash.

Available in standard black, white and silver finishes. Custom colors are available by request and at an additional charge.
