tslight.com

The Prism Profile WW IP is an IP65 rated ellipsoidal featuring a 300W warm white LED and a zoomable lens tube. It is designed for theatrical and outdoor applications where high-definition lighting is needed. The DMX controlled lens tube can be adjusted from 15-30 degrees and also features an automatic zoom and focus for crisp gobo projection. Its high quality die-cast aluminum housing allows it to stand up to any environment and also features a fan-less passive cooling system to ensure silent operation.

Features

- 300W Warm White LED
- 3200K Color Temperature
- IP65 Waterproof rated
- Fan-less Cooling system
- Optional Gobo and Iris
- LCD touch screen (RDM / DMX)
- **Zoom Function:** Auto zoom by DMX
- Shutter controlled by DMX (auto cutting to any shapes)
- **4 dimming curves:** Standard, Incandescent, Quick, and Linear.
- **Housing:** Die-casting Aluminum

Light Source

- **LED Power:** 300W
- **LED Color:** 3200K Warm White

Optics

- **Zoom Function:** Auto zoom by DMX
- **Beam Angle:** 15°-30°
- **LED Life Time:** Over 50,000 hours

Control

- **Control Protocol:** RDM / DMX
- **Control System:** DMX, Auto run & Master/Slave

Electrical

- **Voltage:** 100-240VAC
- **Maximum Power:** 300W
- **Working Temperature:** -10°C~40°C
- **Cooling System:** No fan no noise
- **Thermal Sensor Monitoring:** Over temperature Protection
- **IP Grade:** IP65 waterproof

Approvals

- CE, ETL, FCC, BIS, RoHS

Packaging

- **Net Weight:** 36 lbs.
- **Gross Weight:** 44 lbs.
- **Packing Size:** 33" x 14.5" x 14"
