*Specification sheets are subject to change without notice.

Custom layouts and custom wiring schemes are available. Submit any blueprint, drawing or sketch for quotation. If your layout has 90° corners, specify if those corners need to be mitered. If multiple circuits are required, specify which sockets (and devices) need to be on which circuits, switches, circuit breakers, etc.

07M LAMP BAFFLES (MOUNTING HARDWARE INCLUDED WITH EACH BAFFLE)

Ordering Matrix for Standard Linear Runs

*For custom/non-linear runs see notes about custom layouts above.
